## Important Notices

### Tier II Submitters, Facility Managers, and Business Owners

If you are trying to enter your Tier II reports on E-Plan, please select the "Continue" button to register for an Access ID and password, and you will be allowed to submit and retrieve Tier II information as it pertains to your facility.

[Continue](#)[Cancel](#)

### First Responders

E-Plan is a secure, web-based hazard system for First Responder's use in emergency to create an account. Your E-Plan account contains hazmat data in your jurisdiction.

It is important note that there are E-Plan authorizers) and E-Plan users. Only authorized officials who can serve as "Authorizing

1. E-Plan authorizers and users must have
2. An account request must be authorized by
