How we operate

Think “Mini” SERT

- Local Salvation Army = Local Emergency Management
- Local Event - Local Salvation Army Response
- Local Unit Overwhelmed – TSA DHQ sends support
- Control stays with Local Salvation Army Unit

The Salvation Army – Florida Division - 2012
What to do next

- Know your local TSA Contact
- Invite them to your local meetings
- Review your CEMP
- What role your local TSA plays?
- What to do when they don’t respond?
