Current Issues in Emergency Management 2012

Preparedness Bureau Presentation
Bureau Overview

Linda McWhorter
Preparedness Bureau Chief
Deputy SERT Chief
Natural Hazards Unit
Updates

Brian Richardson
Manager, Natural Hazards Unit
Current Projects

- State CEMP 2012 Revisions
- Local CEMP Criteria/Capabilities Assessment Checklist Revisions
- Threat and Hazard Identification and Risk Assessment/State Preparedness Report (THIRA/SPR)
- Updates to Florida Field Operations Guide (FOG)
- AAR for TS Debby/Hurricane Isaac
Current Projects

- Updates to Division/SERT COOP
- DOE COOP Exercise/State College COOP
- COOP/COG Workshop: December
- Tropical Weather Annex to Region IV All Hazards Plan
- Depth Analysis/Directional Atlases
- L-324 Hurricane Preparedness Course (NHC)

Emergency Management Institute
http://training.fema.gov/Apply/119-25-1%20Previously%20FF75-5.pdf

All applications for attendance to a DHS consortium course or to a Emergency Management Institute (EMI) residential course needs to be submitted to the DHS Training Coordinator Maurice Haynes for processing.
Florida Basic EM Academy

Pilot and Train-the-trainer – January 6-12, 2013
Camp Blanding

Delivery in Each Region

Five online modules
Six days of classroom training

To apply to be an instructor: (Send request, resume, and recommendation to Michael.beha@em.myflorida.com)
Upcoming Events

2013 Statewide Hurricane Exercise – May 20-23, 2013

- 2 storm scenario
- 1st storm will be named in honor of Bob Lay
- National Guard Bureau’s “Vigilant Guard” and NORTHCOM’s “Ardent Sentry” exercises conducted in conjunction with Florida HurrEx

Multi-Year Training and Exercise Plan Workshop

“Son of Radar” Exercise at Camp Blanding – February 4-8, 2013
Deliver Train-the-Trainer certification courses regionally to expand instructor cadres:

Incident Command System Curricula (ICS) – Maurice Haynes

Homeland Security Exercise Evaluation Program (HSEEP) – Michael Beha

Community Emergency Response Team (CERT) – Peggy Cadeaux

ORO’s within the 50-mile EPZ that are not part of the full-participation ingestion exercise with the state participate in an ingestion tabletop exercise or other ingestion pathway training at least once during the exercise cycle.
In accordance with Chapter 69I.42 F.A.C. and 112.061 FS, FDEM will provide cost reimbursement to Ingestion Counties for REP specific travel that meets the following criteria:

- The County’s REP representative must email REP Program Administrator their request for approval of travel prior to the event.
- Upon completion of the event, the REP representative must submit their travel voucher and receipts to their County for processing.
- The County may then submit the documentation and invoice to the Division to receive travel cost reimbursement.
Per Chapter 69J.42 F.A.C., the following conditions apply:

**Headquarters Within** 50 miles of the event location

- Overnight accommodations will NOT be cost reimbursed
- No per diem is provided
- Using a state vehicle – reimbursement to the County
- Using a State-contracted AVIS rental – no mileage reimbursement
Headquarters Outside 50 miles of the event location
• Overnight accommodations will be cost reimbursed
• Per diem will be cost reimbursed based upon the state per diem rate
Using a state vehicle – reimbursement to the County
• Using a State-contracted AVIS rental – no mileage reimbursement
MOU’s are in the final process of approval
Will be sent out to ingestion counties via mass email

- **Quarterly Task Force Meetings**
  - *(Farley: Out-of-State 30 Days Out)*
- **Radiological Training**
- **Annual Statewide Task Force**
- **Exercises**
2012 Florida REP Statewide Taskforce
March 19-21, 2012 Orlando, Florida

10 Ingestion Counties
Roughly 50% Participation
2013 Florida REP Statewide Taskforce
March 4-7, 2013 Daytona Beach
Hilton Oceanwalk Resort

Goal:
100 % Participation
Attending Statewide Taskforce:

- Training
- Networking
- Best practices
- Can be applied to “All Hazards” approach
Additional Training Opportunities

- IS-3 - Radiological Emergency Management
- IS-301 - Radiological Emergency Response
- IS-302 - Modular Emergency Radiological Response Transportation Training
- IS-330 - Refresher Course for Radiological Response
- IS-331 - Introduction to Radiological Emergency Preparedness Exercise Evaluation
- IS-836 - NRF Nuclear/Radiological Annex

NEW! FL-140 Level 1 Awareness Level Course
