Washington	\$ 193,388.07	\$ 64,462.70
TOTAL	\$ 5,052,527.00	\$ 1,684,176.00

The State has received FEMA 6-month Lock-in estimate for the Hazard Mitigation Grant Program November 2009. This estimate will be used to re-evaluate the initial 90 day estimate and establish a lock-in ceiling. At this time, the lock-in ceiling will reflect any increase or decrease in the amount of available HMGP funding
