

## Appendix D: State and Non-Governmental Agency Mitigation Projects

---

### Mitigation Projects

In accordance with the risk assessment portion and Section **4.4 Project Implementation** of this Plan, this document includes mitigation actions we have identified through the planning process along with those identified in local plans. Additionally, projects that were completed, deleted, or deferred since the 2007 plan are outlined. In order to accomplish this task, SHMPAT requested applicable governmental and non-governmental agencies and organizations to provide an updated compilation list of completed, ongoing, and proposed mitigation projects. Each project identified has the following description as appropriate:

- Description or title of the project
- Geographic area
- Possible or approved funding source
- Agencies involved (Tables D1 and D2 only)
- Hazards the project is addressing (Tables D1, D2, and D3)
- Goals the project helps to reach (Tables D1, D2, and D3)
- LMS Ranking (Table D4 only)

Mitigation Projects in addition to those found here are located in Section **4.2 State Capability** and Section **4.5 Funding Sources**. To facilitate your understanding of this section, agencies and their acronyms are listed immediately below:

- *Public Service Commission (PSC)*
- *State Board of Administration (SBA)*
- *South Florida WMD (SFWMD)*
- *Suwanne River WMD (SRWMD)*
- *Northwest Florida WMD (NFWWMD)*
- *FL Department of Elder Affairs (DOEA)*
- *Agency for Workforce Innovation (AWI)*
- *FIU International Hurricane research Center (IHRC)\**
- *American Red Cross (ARC)\**
- *Federal Alliance for Safe Homes (FLASH)\**
- *FL Energy and Climate Commission (Governor's Energy Office) (FECC)*
- *Saint John's River WMD (SJRWMD)*
- *Southwest Florida WMD (SWFWMD)*
- *FL Inter-faith Networking in Disaster (FIND)\**
- *Rebuild Polk After Disaster (RPAD)\**
- *Inspired Network to Achieve Community Together (INTACT)\**
- *Volusia IND (VIND)\**
- *Community Rebuilding Ecumenical Workforce (CREW)\**
- *FL Homebuilders Association (FHBA)\**

*\*Signifies Non-governmental Agency*

DRAFT

**Table D1 State Agency Mitigation Projects**

<i>Agency</i>	<i>Title/Description</i>	<i>Hazards</i>	<i>Goals</i>	<i>Status</i>	<i>Funding Source(s)</i>	<i>Geographic Area</i>
SRWMD	Floodplain Acquisition	Flood	2,5	Current	Florida Forever Bond Sales	15 County Area in N. Central Florida
SRWMD	Cooperating Technical Partner for FEMA map modernization	Flood	4	Current	Dept. of Homeland Security	15 County Area in N. Central Florida
State Courts	<b>Court Building Retrofit:</b> Replacement of windows in the Supreme Court building with blast proof windows.	Wind, explosion	6	Completed	State General Revenue	Tallahassee
State Courts	<b>Court Building Retrofit:</b> Replacement of damaged roof at the Fourth District Court of Appeal with improved materials and design standards.	Wind, storm	6	Completed	State General Revenue/FEMA	West Palm Beach
State Courts	Site hardening at Supreme Court building by installation of security bollards	Debris	6	Proposed	State General Revenue	Tallahassee
State Courts	Installation of impact resistant windows at the Third District Court of Appeal.	Wind, explosion	6	Proposed	State General Revenue	Miami
NWFWMD	<b>Flood Map Modernization Program.</b> NWFWMD is working to modernize area flood maps. It is further working to improve coastal flood maps to incorporate LiDAR data and include simulated effects of storm surge and waves from hurricanes	Flood	4	Current	FEMA	NW Florida
NWFWMD	<b>Land acquisition and management.</b> NWFWMD has acquired over 207,000 acres of water management lands. These protect floodplain resources and provide for flood protection, in addition to sustaining natural systems, fish and wildlife resources, protecting water quality, and providing for public access and recreation. Additional information is at: <a href="http://www.nwfwmd.state.fl.us/lands/lands.htm">http://www.nwfwmd.state.fl.us/lands/lands.htm</a>	Flood, water contamination	2,5	Current	NWFWMD, FL Forever, FDOT Mitigation	NW Florida
NWFWMD	<b>FDOT Mitigation.</b> The District provides wetland mitigation planning and implementation for FDOT wetland impacts. The mitigation includes protection and restoration of flood protection, as well as other wetland functions. The current plan and more detailed information is at: <a href="http://nwfwmdwetlands.com/index.php">http://nwfwmdwetlands.com/index.php</a>	Flood, water contamination	2,5	Current	FDOT Mitigation	NW Florida
NWFWMD	Continuity of Operations Plan	All hazards	6	Current	NWFWMD	NWFWMD facilities
NWFWMD	<b>Rainfall and stormwater monitoring network</b>	Flood	4	Current	Leon Co.,	Leon Co.

<i>Agency</i>	<i>Title/Description</i>	<i>Hazards</i>	<i>Goals</i>	<i>Status</i>	<i>Funding Source(s)</i>	<i>Geographic Area</i>
	Includes a radio-telemetry flood warning network with 14 stream and rainfall stations.				City of Tallahassee, NFWFMD	
FECC	<b>Emergency Shelter Retrofit</b> The program will install 10 kW photovoltaic systems with battery back-up on approximately 90 strategically located emergency shelters throughout the state.	All hazards resulting in power loss	6	Current	American Recovery and Reinvestment Act (United States Department of Energy – State Energy Program)	Statewide
FECC	<b>Grant Project</b> This grant/project will (1) strengthen and expand Florida's energy assurance planning and emergency response efforts, (2) incorporate Florida's expanding solar energy and smart grid efforts into the state's energy planning documents, (3) expand Florida's critical energy infrastructure and key assets survey; and (4) Develop an enhanced software application designed to identify specific location of electrical outages and made available to Florida consumer via the web.	All hazards	4,6	Current	American Recovery and Reinvestment Act (United States Department of Energy – Enhancing State Government Energy Assurance Program)	Statewide
SJRWMD	Prescribed Fire Program	Wildfire	5	Current	Ad Valorem taxes	District-wide
SJRWMD	Upper St Johns River Basin Flood Control Project	Flood	5	Current	Ad Valorem, Florida Forever, WMLTF, P2000, Federal money through ACOE	Indian River and southern Brevard Counties.
SJRWMD	Harris Bayou Project	Flood	5	Completed	Ad Valorem, P 2000, Florida Forever, WMLTF	Lake County
SJRWMD	Hydrologic data collection and monitoring	Flood, contamination	5	Current	Ad Valorem and federal dollars through USGS	District-wide
SJRWMD	<b>Stormwater Management</b> Permitting to regulate storm water management and construction in flood prone areas	Flood, dam breach, erosion, contamination	5	Current	Ad Valorem and permit fees	District-wide
SJRWMD	Floodplain Land Acquisitions	Flood, contamination	5	Current	Florida Forever, P 2000 and mitigation money	District-wide
SWFWMD	<b>Strategic Plan 2010 – 2014</b> the District's responsibilities - water supply, flood protection,	Flood, contamination	4,5	Current - ongoing	Ad valorem taxes, state & federal appropriations, permit	All or part of 16 Counties: Levy, Marion, Citrus, Sumter, Lake, Hernando,

<i>Agency</i>	<i>Title/Description</i>	<i>Hazards</i>	<i>Goals</i>	<i>Status</i>	<i>Funding Source(s)</i>	<i>Geographic Area</i>
	water quality, and natural systems – and identifies goals for each and defines strategic initiatives to help meet the goals	on, drought			fees, interest earnings, & other misc. sources	Pasco, Hillsborough, Pinellas, Polk, Hardee, Manatee, Sarasota, DeSoto, Highlands, Charlotte
SWFWMD	<b>Comprehensive Emergency Management Plan</b> Comprehensive Emergency Management Plan: "all hazards" approach to emergency planning - plan establishes general guidelines for emergency actions, NIMS/ICS training requirements, and is consistent with NIMS & ICS structure/protocols.	All hazards	4,5	Current - ongoing	Ad valorem taxes, state & federal appropriations, permit fees, interest earnings, & other misc. sources	SWFWMD District-wide
SWFWMD	<b>BCA and COOP Plan</b> Business Continuity & Security Authority (BCA) and the COOP Plan: responsible for oversight, initiation, planning, approval, and testing of policies and procedures needed to implement District Enterprise-wide Business Continuity Program that includes security of staff, information, facilities, and business property. BCA ensures that COOP plan updated and exercised regularly in order to maintain or restore business operations in a timely manner following emergency interruption of business processes.	All hazards	4,6	Current - ongoing	Ad valorem taxes, state & federal appropriations, permit fees, interest earnings, & other misc. sources	SWFWMD District-wide
SWFWMD	<b>Emergency warning system</b> High speed telephone notification system (i.e., Voiceshot) used for staff emergency notices.	Flood, contamination, drought	4, 5	Completed	Ad valorem taxes, state & federal appropriations, permit fees, interest earnings, & other misc. sources	SWFWMD District-wide
SWFWMD	<b>Info. Resources Department Business Continuity Plan</b> establish procedures to restore critical District data and voice communications.	All hazards	4, 6	Current - ongoing	Ad valorem taxes, state & federal appropriations, permit fees, interest earnings, & other misc. sources	SWFWMD District-wide
SWFWMD	<b>IT Disaster Recovery Plan</b> currently being rewritten	All hazards	4, 6	Current	Ad valorem taxes, state & federal appropriations, permit fees, interest earnings, & other misc. sources	SWFWMD District-wide
SWFWMD	<b>Communication System</b> Digital 2-way radio communications system: technologically advanced back-up communications system (to be fully functional FY10).	All hazards	4, 6	Current - ongoing	Ad valorem taxes, state & federal appropriations, permit fees, interest earnings, & other misc. sources	SWFWMD District-wide
SWFWMD	Back-up emergency power generators installed at each radio tower.	All hazards	6	Completed	Ad valorem taxes, state & federal appropriations, permit fees, interest earnings, & other misc. sources	SWFWMD District-wide

<i>Agency</i>	<i>Title/Description</i>	<i>Hazards</i>	<i>Goals</i>	<i>Status</i>	<i>Funding Source(s)</i>	<i>Geographic Area</i>
SWFWMD	<b>Tampa Data Center (TDC)</b> New building rated for Cat.3 hurricane (TDC is primary relocation site for Brooksville Data Center & IRD staff).	Hurricane	6	Completed	Ad valorem taxes, state & federal appropriations, permit fees, interest earnings, & other misc. sources	Hillsborough County
SWFWMD	<b>Prescribed burning program</b> (averaging 25,000 acres/year) to mitigate against uncontrolled wildfire.	Wildfire	5	Current - ongoing	Ad valorem taxes, state & federal appropriations, permit fees, interest earnings, & other misc. sources	All or part of 16 Counties: Levy, Marion, Citrus, Sumter, Lake, Hernando, Pasco, Hillsborough, Pinellas, Polk, Hardee, Manatee, Sarasota, DeSoto, Highlands, Charlotte
SWFWMD	<b>Building emergency backup power generators</b> nine main buildings have backup generators – three more planned for FY10.	All hazards	6	Current - ongoing	Ad valorem taxes, state & federal appropriations, permit fees, interest earnings, & other misc. sources	Hernando, Hillsborough, Polk, and Sarasota Counties
SWFWMD	<b>SCADA system</b> (structure controls & data acquisition) Three primary servers at Brooksville headquarters; one backup server at Tampa and one at Bartow service offices.	All hazards	6	Completed	Ad valorem taxes, state & federal appropriations, permit fees, interest earnings, & other misc. sources	Hernando, Hillsborough, and Polk Counties
SWFWMD	<b>Emergency Operations Center (EOC)</b> primary EOC at Brooksville headquarters, backups at Tampa and Bartow service offices. MOAs with Tampa Bay Water and Hernando County for space at their EOCs if needed.	All hazards	6	Completed	Ad valorem taxes, state & federal appropriations, permit fees, interest earnings, & other misc. sources	Hernando, Hillsborough, Pasco, and Polk Counties
SWFWMD	<b>Emergency Action Plans</b> Developed for four high hazard District water control structures (i.e., Medard Reservoir, G-90, Lower Hillsborough Flood Detention Area and the Tampa Bypass Canal, and the Inglis Dams) – EAPs identify potential emergency or unusual conditions at the structure and specify actions to be followed to reduce the risk of property damage and loss of life.	Flood, dam breach, contamination	6	Completed	Ad valorem taxes, state & federal appropriations, permit fees, interest earnings, & other misc. sources	Hillsborough, Highlands, Levy, and Citrus Counties
SWFWMD	<b>Emergency warning system</b> Siren systems used to warn downstream residents of potential structure failure at Medard Reservoir, G-90, and Inglis Dams.	Flood, dam breach, contamination	6	Completed	Ad valorem taxes, state & federal appropriations, permit fees, interest earnings, & other misc. sources	Hillsborough, Highlands, Levy, and Citrus Counties
SWFWMD	<b>Debris Removal Plan</b> have developed list of pre-approved contractors and consultants – final plan still in development	Flood, dam breach, wind, storm	2,5	Current	Ad valorem taxes, state & federal appropriations, permit fees, interest earnings, & other misc. sources	SWFWMD District-wide
SWFWMD	<b>Watershed Management Program (WMP)</b> collection and evaluation of floodplain data to identify flood-related problems; development of best management practices	Flood	4,5	Current - ongoing	Ad valorem taxes, state & federal appropriations, permit fees, interest earnings, &	SWFWMD District-wide

<i>Agency</i>	<i>Title/Description</i>	<i>Hazards</i>	<i>Goals</i>	<i>Status</i>	<i>Funding Source(s)</i>	<i>Geographic Area</i>
	that resolve the water resource difficulties; includes land acquisition projects to reduce flood risk.				other misc. sources	
SWFWMD	<b>Environmental Resource Permitting Program</b> Using WMP data ensures new development compensates for losses in floodplain and historic basin storage, and does not increase stormwater runoff onto neighboring properties.	Flood, erosion, contamination	2	Current - ongoing	Ad valorem taxes, state & federal appropriations, permit fees, interest earnings, & other misc. sources	SWFWMD District-wide
PSC	<b>IOU Rules:</b> The PSC has adopted rules that require investor-owned electric utilities (IOUs) to implement certain system hardening initiatives. The focused attention to system hardening plans allows the PSC and interested parties to provide input and suggested changes as more information is gathered on the costs and benefits of hardening. (See Rule Nos. 25-6.0342 and 25-6.0341, FAC).	All hazards	1	Current and Ongoing	Investor-owned electric utilities (IOUs)	Statewide
SBA	<b>Building Design:</b> SBA Headquarters has been designed to operate on generator and battery backup for up to 5 days in the event of a disaster and power failure to ensure continuation of operations. Alternate worksites and locations are also in place to ensure continued operation in the event of structural damage to the main facility.	All hazards	6	Completed		
SFWMD	C-4 Emergency Detention Basin	Flood, hurricane	5	Completed	FEMA	Miami-Dade
SFWMD	C-24 Hurricane Wilma Canal Bank Repairs	Flood, erosion	6	Completed	FEMA/NRCS	St. Lucie
SFWMD	C-25 Hurricane Wilma Canal Bank Repairs	Flood, erosion	6	Completed	FEMA	St. Lucie
SFWMD	C-4 Canal Widening	Flood, erosion, storm	5,6	Current	FEMA	Miami-Dade
SFWMD	C-4 Floodwall/Berm	Flood, erosion, storm	5,6	Current	FEMA	Miami-Dade
SFWMD	C-41 Hurricane Wilma Canal Bank Repairs	Flood, erosion, storm	5,6	Current	NRCS/FEMA	Glades, Highlands

<i>Agency</i>	<i>Title/Description</i>	<i>Hazards</i>	<i>Goals</i>	<i>Status</i>	<i>Funding Source(s)</i>	<i>Geographic Area</i>
SFWMD	C-39A and C40 Canal Bank Repairs	Flood, erosion, storm	5,6	Current	FEMA	Glades
SFWMD	C-41A Canal Bank Repairs	Flood, erosion, storm	5,6	Current	FEMA	Highlands
SFWMD	C-51 Hurricane Jeanne and Frances Canal Bank Repairs	Flood, erosion, storm	5,6	Current	NRCS/FEMA	Palm Beach
SFWMD	G-300, G-301, G-302 Hurricane Jeanne and Frances Bank Repairs	Flood, erosion, storm	5,6	Current	NRCS	Palm Beach
SFWMD	S-155, S-155A Hurricane Jeanne and Frances Bank Repairs	Flood, erosion, storm	5,6	Current	NRCS	Palm Beach
SFWMD	C-17 Hurricane Jeanne and Frances Canal Bank Repairs	Flood, erosion, storm	5,6	Current	NRCS/FEMA	Palm Beach
SFWMD	LD-1, LD-3, C-20, C-21 Hurricane Wilma Canal Bank Repairs	Flood, erosion, storm	5,6	Proposed	NRCS	Glades, Hendry
SFWMD	S59 and S-61 Increased Capacity (HMGP applied and approved but expired)	Flood, erosion, storm	5,6	Proposed	FEMA	Osceola
SFWMD	East Coast Protection Levees	Flood, erosion, storm	5,6	Potential		Palm Beach, Broward, Miami-Dade
DOEA	Disaster Guide for Elders	Flood, erosion, storm	3	Yearly	OAA Federal	All areas of the state
DOEA	COOP	All hazards	4,6	Current	OAA Federal	All areas of the state
DOEA	Elder Helpline	All hazards	3	Current	OAA Federal	All areas of the state
DOEA	211 and Information and Referral Lines	All hazards	3	Current	County	All areas of the state
DOEA	Services Manual for Providers and Area Agencies on Aging	All hazards	3	Current	OAA	All areas of the state
DOEA	Vulnerable Populations Took Kit and Workgroup with Department of Health	All hazards	3	Current	N/A	All counties in the state

<i>Agency</i>	<i>Title/Description</i>	<i>Hazards</i>	<i>Goals</i>	<i>Status</i>	<i>Funding Source(s)</i>	<i>Geographic Area</i>
DOEA	Special Needs Committee with Department of Health – DOEA chairs the Discharge Planning Sub-Committee	All hazards	3	Current	N/A	All counties and special needs shelters
AWI	Establishment of an Emergency Website	All hazards	3	Current	N/A	Statewide
AWI	Independent Study to Evaluate the Agency’s Disaster Recovery Plan	All hazards	4	Current	USDOL	Statewide
AWI	Acquisition of A Back-up Generator	All hazards	6	Completed	Penalty & Interest	Fort Lauderdale
Florida Lottery	<b>Building Design</b> New Lottery Draw Studio improves storm hardening and security over old location	All hazards	6	Completed		250 Marriott Drive, Tallahassee, FL
Florida Lottery	<b>Building Design</b> New Lottery WPB District Office improves infrastructure over old location	All hazards	6	Completed		6959 Vista Parkway, Unit #1, West Palm Beach, FL
Florida Lottery	<b>Building Design</b> New Lottery Ft. Myers District Office building improves infrastructure over old location	All hazards	6	Current		11760 Metro Parkway, Ft. Myers, FL
Florida Lottery	<b>Government Emergency Telecommunications Service</b> Emergency communications network joined. Improves emergency communications during disasters.	All hazards	6	Current		Electronic system membership in federal program.

**Table D2 Non-Governmental Agency Projects**

<i>Agency</i>	<i>Title/Description</i>	<i>Hazards</i>	<i>Goals</i>	<i>Status</i>	<i>Funding Source(s)</i>	<i>Geographic Area</i>
IHRC	<b>Study:</b> Wind Effects on Photovoltaic Panels Mounted on Residential Roofs	Wind	4	Current	RCMP	FL
IHRC	<b>Study:</b> Wind Pressure and Resistance Evaluation for Hip and Ridge Tiles and Attachments	Wind	4	Current	RCMP	FL
IHRC	<b>Study:</b> Combining Experimental and Survey Evidence for Promoting Hurricane Risk Mitigation Efforts and Disaster Preparedness	Hurricane	4	Current	RCMP	FL
IHRC	An Archive and Internet Distribution System for Airborne LiDAR Data	Flood	4	Current	RCMP	FL
IHRC	Education and Outreach Programs to Convey the Benefits of Various Hurricane Loss Mitigation Devices and Techniques	Hurricane	3	Current	RCMP	FL
IHRC	<b>Study:</b> Communicating Forecast Information to Optimize Evacuation Behavior	All hazards	4	Current	NSF	FL
IHRC	<b>Study:</b> Tropical Cyclone Response	All hazards	4	Current	NSF	FL
IHRC	Florida Hurricane Alliance	Hurricane	7	Current	NOAA	FL
IHRC	<b>Study:</b> Hurricane Loss Projection Model	Hurricane	4	Current	OIR	FL
ARC	<b>Community Disaster Education</b> including Masters of Disaster, Scrubby Bear, Pandemic Flu Preparedness, Red Cross Ready, Fire Safety, Hurricane Safety, etc	All hazards	3	On-going	Chapter Funded-- Seeking sponsorships to expand programs	Statewide
ARC	<b>Battery Distribution</b> Smoke alarm battery distribution in high risk neighborhoods	Fire, carbon monoxide poisoning	2, 3	Ongoing	State Farm	Indian River & St.Lucie Counties
ARC	Scrubby Bear Presentations at H1N1 vaccination clinics	Widespread illness	3	Ongoing	Chapter Funded;	Palm Beach County
ARC	<b>Door hanger Distribution</b> Fire Prevention Door Hanger distribution in high risk neighborhoods	Fire	3	Ongoing	Chapter Funded	Hillborough, Pasco & Pinellas Counties
ARC	<b>Disaster Education Simulator</b> used to educate 10,000 people annually about fire, tornado and hurricane safety	Fire, wind; hurricane and tornado hazards	3	Ongoing	Local foundation; annual support from local businesses	Martin County
REBUILD (FIND)	Residential Mitigation Program	Wind, flood, storm	2,3	Current	RCMP & HMGP	Escambia & Santa Rosa
REBUILD	<b>Residential Mitigation Program:</b> Mitigated homes in the	Wind,	2, 3	Completed	HMGP +	Escambia & Santa Rosa

<i>Agency</i>	<i>Title/Description</i>	<i>Hazards</i>	<i>Goals</i>	<i>Status</i>	<i>Funding Source(s)</i>	<i>Geographic Area</i>
(FIND)	following areas: hurricane straps, reinforced garage doors, opening protection, gable end reinforcements and new roofs.	flood, storm		3600 Units	My Safe Florida Home	
REBUILD (FIND)	Residential Mitigation/ Weatherization Program	Wind, flood, storm	2, 3	Proposed	RCMP & HMGP	Escambia
REBUILD (FIND)	Non-Profit Facility/Residential Units Mitigation Project – UCP/ARC	Wind, flood, storm	2, 3	Proposed	HMGP	Escambia
Good Samaritan Society (FIND)	<b>Facility Retrofit</b> Hurricane Impact Window and Door Replacement for 2 skilled nursing facilities and 1 assisted living facility (\$957,345).	Wind, flood, storm	2, 3	Current	HMGP	Volusia
Brevard Long Term Recovery Coalition (FIND)	Received a total of \$1.5 million through the My Safe Florida Home Program to mitigate homes in the following areas: hurricane straps, reinforced garage doors, opening protection, gable end reinforcements and new roofs.	Wind, flood, storm	2, 3	Completed 403 homes	My Safe Florida Home	Brevard Co.
RPAD (FIND)	Rec'd \$786,000 from My Safe Florida Home, provided hurricane shutters, hurricane rated doors, reinforced gable end vents and upgraded roofs	Wind, flood, storm	2, 3	Completed 297 homes	My Safe Florida Home	Entire Polk County
INTACT (FIND)	Mitigation: Shutters, Garage doors, Exterior doors, Secondary water barriers, Gable end bracing & Roof to wall connections	Wind, flood, storm	2, 3	Completed 465 homes	My Safe Florida Home	St. Lucie County
INTACT (FIND)	Shutters, Garage doors, Exterior doors, Secondary water barriers, Gable end bracing & Roof to wall connections.	Wind, flood, storm	2, 3	Proposed 200 homes	HMGP	St. Lucie County
PBCDRC (FIND)	<b>Shutter up South Florida:</b> Year 1; Pilot Program: Recruitment and training of volunteers to assist the most vulnerable populations in the community that have existing shutters and no other resources or assistance in shuttering their homes pre-storm	Wind, flood, storm	2, 3	Proposed-approved for 2010 funding	Citizen Corps Council:UASI	Palm Beach County/Region 7
VIND (FIND)	Received a total of \$225,000 through the My Safe Florida Home Program to mitigate homes in the following areas: hurricane straps, reinforced garage doors, opening protection, gable end reinforcements and new roofs	Wind, flood, storm	2, 3	Completed 59 homes	My Safe Florida Home	Volusia
VIND (FIND)	Site Built Residential Mitigation	Wind, flood, storm	2, 3	Proposed	HMGP	Volusia
VIND (FIND)	Manufactured Homes Residential Mitigation (3 projects)	Wind, flood, storm	2, 3	Proposed	HMGP	Volusia

<i>Agency</i>	<i>Title/Description</i>	<i>Hazards</i>	<i>Goals</i>	<i>Status</i>	<i>Funding Source(s)</i>	<i>Geographic Area</i>
CREW (FIND)	Received a total of \$300 thousand through the My Safe Florida Home Program to mitigate homes in the following areas: hurricane straps, reinforced garage doors, opening protection, gable end reinforcements and new roofs	Wind, flood, storm	2, 3	Completed 75 homes	My Safe Florida Homes	Hendry/Glades Counties
FLASH	<b>Advancing Mitigation Awareness:</b> The project will conduct research to examine Floridians current actions, attitudes and core reasons why they either prepare or do not prepare for hurricanes. The project will develop a community guide to help local officials promote on-site events to raise mitigation awareness. Social media campaigns will also be developed to reach Floridians unable to participate in person. The success of the project will be quantified post research.	Hurricane	3, 4	Proposed	RCMP	State of Florida
FLASH	<b>Code Official Mitigation E-Learning</b> A review and update of technical components of Blueprint for Safety training course to ensure it contains the latest information on how to identify and recommend disaster-resistant building techniques. This project will also develop a training course based on the Blueprint for Safety program that will be offered through the online training environment of the International Code Council.	Hurricane	3, 4	Proposed	RCMP	State of Florida
FLASH	<b>Enhanced Blueprint for Safety</b> This project will develop code-plus minimum standards for a community with a focus on wind mitigation, wildfire mitigation, Energy Star and Water Sense. There will be a community guide to include research, writing, design and layout to assist a community in achieving the designation. There will also be research, writing, design layout and printing of a guide that assists a builder in performing mitigation techniques in the field to achieve the designation. In addition, an advisory committee will be developed to oversee the development of the community standards.	Hurricane	3, 4	Proposed	RCMP	State of Florida
FLASH	<b>StormStruck: A Tale of Two Homes</b> ® This three year project is located in INNOVENTIONS at Epcot® at the Walt Disney World Resort® and provides a 2,800 square foot experience that delivers mitigation and safety messages to the nearly 11 million worldwide guests that visit Epcot annually. For more information, see FLASH's write up in Section 4.2.1.	Wind, storm	3	Current	Private	State of Florida
FLASH	<b>Newsletters:</b> FLASH distributed 62,983 print and electronic	Wind, storm	3	Current	Private	State of Florida

<i>Agency</i>	<i>Title/Description</i>	<i>Hazards</i>	<i>Goals</i>	<i>Status</i>	<i>Funding Source(s)</i>	<i>Geographic Area</i>
	newsletters in 2008.					
FLASH	<b>Insurance Guides</b> "If Disaster Strikes ... Will You Be Covered?" in English and Spanish. The homeowner publication presents a rare, national overview of insurance coverage by peril coupled with relevant mitigation tips and techniques.	Wind, storm	3	Current	Private/ The Actuarial Foundation	State of Florida
FLASH	<b>Risk Mitigation Leadership Forum Series</b> The Forum events helped facilitate a first-ever alignment of environmental movement and green stakeholders in the disaster mitigation movement. These opportunities will continue to be essential during 2009 and beyond.	Wind, storm	3, 4	Current	Private	State of Florida
FHBA	Hurricane Alley at the Southeast Builders Conference	Hurricane	3	Annual Event in Orlando mid-summer	Funding support from the DCA/Building Code Compliance and Mitigation Program	State wide
FHBA	Continuing Education to residential Contractors on mitigation and code compliance	Hurricane related hazards	3	Continuing	Funding support from the DCA/Building Code Compliance and Mitigation Program	State wide
FHBA	Disaster Contractors Network	Hurricane related hazards	3	Continuing	Funding support from the DCA/Building Code Compliance and Mitigation Program	State wide

**Table D3 Highlight of HMGP Funded Mitigation Planning Projects**

<i>Project</i>	<i>Title/Description</i>	<i>Hazards</i>	<i>Goals</i>	<i>Status</i>	<i>Budget</i>	<i>Explanation</i>
1345-017p	LMS Document for Gulf County	All hazards	1, 2	COMPLETE	\$26,667	
1345-17pp	Creating a Regional Approach to Hazard Mitigation	All hazards	1, 2	COMPLETE	\$300,000	
1539-108a	Coastal Hazards, Risks and Vulnerabilities Studies	Wind, flood, erosion	4	ONGOING	\$1,590,341	Study based on Lydar Project.
1539-108P	Statewide Coastal Hazards Risk & Vulnerability Assessment	Wind, flood, erosion	4	ONGOING	\$7,081,438	Lydar project. "Data being analyzed to complete SLOSH run."
1545-112a	Coastal Hazards, Risks and Vulnerabilities Studies	Wind, flood, erosion	4	ONGOING	\$1,590,341	Study based on Lydar Project.
1545-112P	Statewide Coastal & Hazards Risk & Vulnerability Assessment	Wind, flood, erosion	4	ONGOING	\$7,972,711	Lydar project. "Data being analyzed to complete SLOSH run."
1551-24-a	Coastal Hazards, Risks and Vulnerabilities Studies	Wind, flood, erosion	4	ONGOING	\$1,060,229	Study based on Lydar Project.
1551-24-P	Coastal Hazard Risk and Vulnerability Toolkit Project	Wind, flood, erosion	4	ONGOING	\$6,856,092	Lydar project. "Data being analyzed to complete SLOSH run."
1561-87-a	Coastal Hazards, Risks and Vulnerabilities Studies	Wind, flood, erosion	4	ONGOING	\$1,590,341	Study based on Lydar Project.
1561-87-b	Regional Analysis of Potencial Threats of Florida Projects	All hazards	4	COMPLETE	\$49,500	

<i>Project</i>	<i>Title/Description</i>	<i>Hazards</i>	<i>Goals</i>	<i>Status</i>	<i>Budget</i>	<i>Explanation</i>
1561-87-P	Coastal Hazards Risk and Vulnerability Assessment Toolkit	Wind, flood, erosion	4	ONGOING	\$6,603,708	Lydar project. "Data being analyzed to complete SLOSH run."
1595-31-P	Disaster Preparedness Mitigation Options for Historic Structures	All hazards	5	COMPLETE	\$203,000	
1609-114P	Coastal Hazards Risk & Vulnerabilities Assessment	Wind, flood, erosion	4	ONGOING	\$5,466,666	
1609-115a	Intern Program Project	All hazards	2	DEFERRED	\$261,392	Mitigation database shows that this project is delayed. There has been no activity since 2007.
1609-115P	Florida Mitigation Alliance Statewide Internship Program	All hazards	2	ONGOING	\$179,608	
1609-122a, b, and P	Vulnerability and Risk Assessment of SHMP	All hazards	4	COMPLETE	\$1,000,000	POP expired 9/30/09
1609-123P	Wildland Fire Risk Assessment Planning Project	Wildfire	2, 4	ONGOING	\$2,491,379	
1609-124P	Hillsborough County Post-Disaster Redevelopment Planning Project	All hazards	2	ONGOING	\$2,225,667	
1609-127P	Wildfire Coordination Planning Project	Wildfire	4, 7	ONGOING	\$326,667	
1609-128a and p	H. Higgins Integration of Hazard Mitigation into Metropolitan Planning	All hazards	1, 2, 4	ONGOING	\$1,269,965	This project is affiliated with FSU.
1609-129P	Measurement & Modeling of Wind Field & Loads Planning Proj.	Wind	4	ONGOING	\$100,000	
1609-167P	Escambia Co. Disaster Planning for Schools-Planning Project	All hazards	5, 6	ONGOING	\$533,333	

<i>Project</i>	<i>Title/Description</i>	<i>Hazards</i>	<i>Goals</i>	<i>Status</i>	<i>Budget</i>	<i>Explanation</i>
1609-168P	Mitigation Measures for Boats and Marina	Wind	2	DEFERRED	\$313,333	This project is 5% complete and appears to be in the process of being denied. On 7/21/2009 there is a note: "submitted official request to FEMA on July 9, 2009 to change assignment of contract to '1000 Friends of Florida'. On 7/30/2009 FEMA sent a letter stating "Project is denied and previously obligated funds will be deobligated". One payment of \$18,750 was made last year. DEM is sending FEMA a letter requesting that they not deobligate all the funding.
1679-2-P and 2Pa, 1680 2P	Department of Community Affairs, State of Florida Statewide Commercial Wind Loss Mitigation Study	Wind	4	ONGOING	\$319,564	The results of this study will be integrated into the next Plan Update
1785-2-p	Local Mitigation Strategy Plan Internships	All hazards	2	ONGOING	\$642,452	This project is affiliated with FSU.
1785-3-P	Hazard Mitigation Plan Update and Building Code Improvement	All hazards	1, 4	ONGOING	\$445,800
