Below are instructions to apply for the upcoming 2016 RCMP RFP,

The Florida Division of Emergency management's Residential Construction Mitigation Program (RCMP) is preparing to announce our grant through My Florida Market Place as a Request for Proposal (RFP).

Over the last few months, the Division conducted workshops throughout the state to provide information on the RCMP. You either attended the presentation, or have expressed an interest in participating in the RCMP. The Division is currently working on a Request for Proposal (RFP) that will be used to solicit responses from vendors of local governments, municipalities, and nonprofit organizations to receive funding. You can find information on the program at www.FloridaDisaster.org/mitigation/RCMP. Please follow the steps below to ensure you will receive notification of the RFP issuance.

Register: MyFloridaMarketPlace (MFMP)

Vendors who would like to do business with the State of Florida must be registered in the MyFloridaMarketPlace system. Registration is easy. If you are not registered, you can do so at the following link on-line: https://vendor.myfloridamarketplace.com/, or call 1-866-352-3776 for assisted registration. When registering on MyFloridaMarketplace, please use the following codes in the “commodity code” section to get automated notifications regarding the RCMP grant and other opportunities:

30171506
30171600
77111508

Provide a Substitute W-9

Once you have completed the registration on the Vendor Information Portal you will need to submit the substitute form W9 on the Chief Financial Officers website. A completed Substitute Form W-9 is required from any entity that receives a payment from the State of Florida that may be subject to Form 1099 reporting. The Department of Financial Services (DFS) must have the correct Taxpayer Identification Number (TIN) and other related information in order to report accurate tax information to the Internal Revenue Service and determine if a vendor should receive a Form 1099. Use the DFS Substitute Form W-9 Verification website to submit your Substitute Form W-9 electronically (2nd link below). You will be asked to register at this website in order to submit the form which will link your W9 to the IRS and could take several days to verify. Once both of these steps have been completed we will be able to proceed with the purchases.

***BOTH STEPS ARE REQUIRED***
Step 1-Register in Vendor Information Portal (VIP):
   https://vendor.myfloridamarketplace.com/vms-web/spring/login?execution=e2s1

Step 2-Register with Chief Financial Officer to submit Substitute W9 form:
   https://flvendor.myfloridacfo.com/

Continue to check back on the RCMP website for additional information on the program. Mitigating homes helps reduce the impact to a community and lessens the reliance on government during the response and recovery phases. The Division is committed to supporting communities through initiatives such as RCMP. Please pass this information along to other local governments, municipalities and nonprofits that will benefit from the program. If you have questions related to the Residential Construction Mitigation Program, do not hesitate to contact:
