

State of Florida Shelter Retrofit Report

TABLE OF CONTENTS

EXECUTIVE SUMMARY..... i

I. INTRODUCTION..... 1-1

 Purpose..... 1-1

 Shelter Retrofit Project Identification Procedure..... 1-1

 Summary of Annual Reports..... 1-3

II. CURRENT SITUATION.....2-1

 Findings of the Division’s Shelter Survey Program.....2-2

 Statewide Progress in Shelter Retrofitting and Enhanced Hurricane
 Protection Area (EHPA) Construction.....2-6

III. SUMMARY OF PROJECT RECOMMENDATIONS..... 3-1

IV. STRATEGY FOR PUBLIC SHELTER DEFICIT REDUCTION.....4-1

V. PUBLIC SHELTER PERFORMANCE IN 2004 AND 2005.....5-1

VI. CONCLUSION..... 6-1

APPENDIX

- A. List of Abbreviations
- B. Glossary
- C. American Red Cross Hurricane Shelter Selection Standards (ARC 4496)
- D. Methodology for Recommendation of Projects for Funding
- E. Prioritized List of Recommended Projects
- F. List of Recommended Projects-Generators

- G. List of Projects Not Yet Recommended
 - (1) Retrofit Projects Not Yet Recommended
 - (2) Generator Projects Not Yet Recommended

- H. Data Forms and Worksheets
 - (1) 2006 Shelter Retrofit Proposal Submittal Form
 - (2) 2006 Shelter Retrofit List Report Form

- I. List of Projects with Contracts In Process

List of Tables

Table EX-1	Historical Summary of <i>Shelter Retrofit Report</i> Program.....	ii
Table 1.1	Historical Summary of <i>Shelter Retrofit Report</i> Program.....	1-3
Table 2.1	Summary of Survey Findings by Region.....	2-3
