STATE EMERGENCY OPERATIONS CENTER REMAINS ACTIVATED

TALLAHASSEE - The State Emergency Operations Center (SEOC) in Tallahassee remains at a Level 2 – or partial – activation. The State Emergency Response Team continues Hurricane Dennis recovery efforts as it monitors Tropical Storm Katrina’s progress for potential impacts to Florida communities.

More information regarding briefings at the SEOC will be available later today.

For additional information on Tropical Storm Katrina and the State Emergency Response Team, please visit www.FloridaDisaster.org.
