Tallahassee, Florida 32399
Also available via conference call and webinar
Date and Time: December 12, 2017 at 1:00 pm

Agenda Item: Introductions

Agenda Item: Florida Statute 252.3655

Discussion:

- HB 181 / SB 464 Passed to create §252.3655 effective July 1, 2017.
- Required members of this workgroup include state agencies within the FL Executive Branch, Water Management Districts and the Florida Public Service Commission.
- This interagency workgroup, Mitigate FL, was created from the bill's Natural Hazards Interagency Workgroup, SHMPAT and Silver Jackets.
- Quarterly meetings are held effective July 1, 2017.
- An annual report requirement will begin January 1, 2019.

Agenda Item: State Hazard Mitigation Plan Update

Discussion:

- Planning Process Update
 - This section has been re-organized and will encompass the Plan Maintenance section among additional topics.
- Risk Assessment Update
 - Hazard Profiles
 - Some remain in progress and others are ready for review and comment.
 - GIS Data
 - Hazus-MH Flood models are in progress. Hazus-MH wind models and HelpFL runs are complete. Value and county of county and state facilities models are also complete.
- Mitigation Strategy Update
 - A Draft Mitigation Mission, Vision and strategy were presented for comment and feedback.

- A survey will be sent out to gain additional feedback.
- Comment from Seminole County: it would be good to keep the strategy, goals and objectives the same for the SHMP and the Mitigate FL group to keep it consistent. Hillsborough County agreed, but also stated that it should also allow for additional objectives to be added for the group. Hillsborough also stated that there is integration between mitigation planning and other local planning mechanisms like the comprehensive plans.
- Funding and Projects Update
 - In Progress
- Appendices Update
 - Most are complete and some are still in progress
- Full Draft Plan Review in January
 - Once the Draft Plan is complete, it will be posted to our FDEM website and emailed to the MitigateFL group for comments.

Agenda Item: Silver Jackets

Discussion:

- New funding opportunities through this group will be discussed next year.

Agenda Item: LMS Updates

Discussion:

- LMS Updates
 - Broward County is the latest plan to be Approved and Adopted.
 - No plans are currently in review.
- FAC 27P-22 Annual Update
 - An email was sent out 11/30/17 requesting each county's annual FAC 27P-22 update.
 - Update materials are due to FDEM's Planning Unit by 1/31/2018.

Agenda Item: SHMPoints Newsletter

Discussion:

- Articles include information on the environmental review process, the Hazard Loss Mitigation Program and elevation certificates.

Announcements:

- Meeting minutes will be posted to the FDEM website.
- Question: Eve Rainey, FEPA, asked if there was a place in the SHMP or otherwise to include "after action" or "post disaster" lessons learned, best practices, and success stories post disaster, specifically post-Hurricane Irma. Hillsborough County agreed. Decided that it would be discussed in the Mitigation Bureau and we will get back to the group soon.
