COVID-19: vaccine summary

Vaccination data through Feb 18, 2021 as of Feb 19, 2021 at 12:05 AM

Data in this report are provisional and subject to change.

Data in this summary pertain to COVID-19 vaccines approved by the U.S. Food and Drug Administration and have been issued an Emergency Use Authorization. These data summarize the number of people who have received either their first dose or have completed the series for a COVID-19 vaccine. A person can only be counted in one category, first dose or series complete. After individuals receive their second dose, they are moved from the first dose column to the series completed column.

COVID-19 doses administered for the past 2 weeks

Persons vaccinated for COVID-19 for the past 2 weeks

Number of persons who received their first dose of the COVID-19 vaccine

Number of persons who received their second dose and completed the COVID-19 vaccine series

COVID-19: vaccine summary

Vaccination data through Feb 18, 2021 as of Feb 19, 2021 at 12:05 AM

Data in this report are provisional and subject to change.

Data in this summary pertain to COVID-19 vaccines approved by the U.S. Food and Drug Administration and have been issued an Emergency Use Authorization. These data summarize the number of people who have received either their first dose or have completed the series for a COVID-19 vaccine. A person can only be counted in one category, first dose or series complete. After individuals receive their second dose, they are moved from the first dose column to the series completed column.
