

Coming Soon: 2021 BRIC and FMA Programs' Webinar Series

Mark your calendars for the 2021 Building Resilient Infrastructure and Communities (BRIC) and Flood Mitigation Assistance (FMA) Programs' Webinar Series running **July 28 to Oct. 28!** This webinar series will bring FEMA subject-matter experts and partners together to provide technical information, best practices, tools and resources regarding these grant programs. The webinars are being designed for leaders in states, local communities, tribes and territories, as well as private sector entities, private non-profit organizations, and individuals interested in learning more about the BRIC and FMA grant programs and strategies for how to apply for them. FEMA's Hazard Mitigation Assistance (HMA) Division will deliver the webinars.
