1:07 pm: Agenda and Introduction of New Planner

Jamie Leigh Price introduces Melissa Schrader – new Mitigation Planner, liaison for Regions 3 and 4.

1:10 pm: SHMP Updates

Jamie Leigh provided SHMP updates. The SHMPAT is being revamped at this time to ensure a whole of community approach for the next update which will kick off in September. This summer, state planners will review the plan and mark which areas needs to be updated, removed, or added. The plan is available on the website and any suggestions are welcome. The full schedule of activities will be described at the kick off meeting in September.

1:15 pm: LMS Updates

Jamie Leigh congratulated the 12 counties who have adopted their plans and the five counties who have been granted Approved Pending Adoption status in the last three months. There are very few counties left in this cycle.

1:18 pm: Planning Grant Updates

Jamie Leigh explained that the Florida Flood Risk Information System (FRIS) is now live and is a place where anyone can go to learn about the flood hazard in their area. The sinkhole vulnerability map grant was given an extension through December 2016 and the results will be presented at a later date.

The Statewide Risk Assessment Tool will be completed this month and will be rolled out at the September kick off meeting.
